

Dentistry

Trusted Dentist in Convenient Location at Raffles Medical Clinic

If it's time for your regular check-up or you need some professional advice, talk to our friendly and experienced dental professional to find out about the wide range of services we offer. We treat people of all ages with all types of dental issues, from preventive to restorative treatments helping you to maintain good oral health and achieve the smile you want.

Our dentist will discuss all the treatment options available to you and give you all the information you need to make an informed decision about your dental health. We'll also make sure you understand all possible risks and side-effects of your treatment to assure your peace of mind.

Our dental services include:

- Dental Check & Xray
- Scaling & Polishing
- Fillings & Sealants
- Veneers
- Teeth whitening
- Crown & Bridges
- Extractions

Dr. Le Diem Huong
Oral & Maxillofacial Surgeon

Dr. Huong graduated in oral and maxillofacial surgery from the Hue University of Medicine and Pharmacy in 2007. She undertook a master's degree in oral pathology at Chonbuk National University in Korea between 2009 and 2011 before returning to Vietnam and eventually joining Raffles Medical in 2014, where she most commonly performs fillings and cleaning procedures for patients as well as prosthodontics. She is currently planning to further her studies in orthodontics, while she also has a qualification in implantology.
